PROFESSIONAL EXPERIENCE

Corporate Legal and Financial Analyst Intern | Think Gas Distribution Pvt. Ltd, Noida, India

June 2024 – July 2024

- Structured a Novation Deed for a \$28M corporate restructuring transaction, enabling smooth transfer of contractual obligations and supporting M&A advisory workflow.
- Directed regulatory research and financial analysis for contract execution totaling \$56M, enabling P&L analysis, financial reporting, and KPI-driven decision-making; partnered cross-functionally to structure agreements with Several companies while using Excel and data analysis to optimize margins and support forecasting.
- Oversaw compliance with PNGRB regulatory guidelines for transactions exceeding \$35M, mitigating operational and contractual risks.
- Developed a standardized Natural Gas Agreement that enabled a \$113M nationwide commercial partnership with Indraprastha Gas, supporting scalable infrastructure and web services aligned business operations.
- Administered and maintained 15+ Board Meeting records under the MIS framework, ensuring governance accuracy, regulatory adherence, and executive-level documentation.

Founder and Designer | YOU. Prathit Sareen, New Delhi, India

October 2020 – September 2023

- Founded and independently managed a full-service interior décor business, overseeing client acquisition, project execution, vendor negotiations, budgeting, and financial management.
- Built and scaled a client base of 50+ clients across residential and commercial projects, generating a cumulative revenue of ~\$100K over three years of operations.
- Managed end-to-end project execution, including concept development, design planning, procurement, and installation, while ensuring quality standards and timely delivery across all projects.
- Oversaw vendor management and supplier negotiations, implementing cost optimization strategies to improve procurement efficiency and drive profitability.
- Successfully exited a self-founded interior décor business at a \$400K valuation, demonstrating entrepreneurial execution, business growth, and value creation.

Due Diligence and Legal Intern | Global Lawyers, Solicitors and Attorneys, New Delhi, India

August 2023 – September 2023

- Conducted legal and commercial due diligence for corporate transactions, identifying contractual, regulatory, and operational risks to support informed decision-making.
- Drafted agreements, legal documentation, and case briefs, strengthening contract analysis and transaction support capabilities.
- Coordinated with senior associates on contract negotiations, regulatory compliance matters, and corporate legal research to support client engagements.

Legal and Financial Advisory Intern | India Infoline Finance Limited (IIFL), Gurgaon, India **July 2022 – August 2022**

- Optimized 12+ client portfolios by analyzing financial goals and market trends, achieving an average projected return increase of 8–10%.
- Assessed and implemented tailored investment strategies for 15+ clients from diverse socioeconomic backgrounds, improving portfolio performance and client satisfaction.
- Conducted variance analysis and RERA compliance for 25+ properties across Delhi and Maharashtra, enabling financial reporting, KPI analysis, and risk assessment; supported forecasting, and business reviews to ensure regulatory adherence and optimize transaction outcomes.
- Executed credit analysis and due diligence for 25+ Loan Against Property (LAP) cases, authoring Title Search Reports that identified title discrepancies and mitigated potential credit defaults for the firm.
- Compiled 20+ approved property financial reports, aiding senior management in investment and lending decisions.

Business and Legal Analyst Intern | MSGM Fiat Justitia LLP, Kanpur, India **March 2022 – May 2022**

- Prepared 15+ Trade search and copyright reports for clients, ensuring IP compliance and mitigating potential legal conflicts.
- Drafted 10+ Objection replies for conflicting trademarks, successfully protecting client brand rights.
- Generated 20+ name suggestion reports for upcoming brands and firms, contributing to go-to-market strategy, business planning, and strategic decision-making; leveraged market research to align brand positioning with revenue potential and growth objectives.
- Promoted to administrative role to lead a team of 5 interns, streamlining workflow and improving report turnaround time by 25%.

LEADERSHIP | ROCHESTER, NEW YORK

Simon School Venture Fund | Due Diligence Analyst **October 2025 – May 2026**

- Conducted commercial and financial due diligence on 10+ early-stage startups across technology, healthcare, and consumer sectors, evaluating business models, market opportunity, competitive positioning, and growth potential.
- Supported investment screening and valuation analysis for ventures representing an estimated \$500K+ in cumulative funding opportunities.
- Prepared investment memoranda and presented findings to student-led investment committees to support capital allocation decisions.

Simon Vision Consulting | Finance Consultant **September 2025 – December 2025**

- Delivered financial analysis and ROI modeling for a workforce optimization project, identifying an estimated ~\$700K in annual savings opportunities.
- Conducted a feasibility study for an in-house workforce strategy across multi-campus facilities, evaluating operational efficiency, cost reduction potential, and implementation feasibility.
- Collaborated with cross-functional teams to develop strategic recommendations and improve organizational performance.
